

GOT LUNCH! LACONIA

PROVIDING LACONIA'S CHILDREN A HEALTHY SUMMER LUNCH PROGRAM

Parents of Laconia Middle School Students: We are very excited to announce the 2nd year of GOT LUNCH!, a healthy summer lunch program for Laconia school children. The motivation to establish this program was to fill the summer gap for those children who receive free or reduced price lunches during the school year, but is NOT a requirement for participation. If you need help this summer, this program is available to you.

A week's worth of healthy lunch groceries will be delivered to your home, mid to late morning every Monday for the full 11 weeks that school is not in normal session. This year we are also adding Dairy Vouchers redeemable at Vista for milk, eggs, or other dairy that you choose. Once you are registered you will receive a letter describing the details of the dairy voucher program. Within the framework of a network of Community Agencies called "Better Together", the home base of this community project is the Congregational Church of Laconia. We are working in concert with individuals, businesses, community service agencies, and faith based organizations to operate this program.
